

PEDIATRIC HEALTH

Assessment & Treatments of Neurological Disorders Including Autism & ADHD

2 Day Session

**February 12-13, 2011
SEATTLE, WA**

Presented by:
Robert Abell ND LAC

The goal of this seminar is for participants to develop a comprehensive understanding of the etiology and pathogenesis of neurological disorders such as autism, Attention Deficit Hyperactivity Disorder (ADHD), epilepsy, depression and anxiety.

Today 1-1.5 million Americans live with an autism spectrum disorder.¹ With autism being the fastest

growing developmental disability, prevalence is estimated at 1 in 110 births² and in some states is documented to have risen as much as 1,148%.³ Does this have to do with increased awareness or is it a true increase? Both autism and ADHD are complex conditions that conventional medicine is struggling to treat. Learn about the imperative role of Biotherapeutic Drainage™ and UNDA Numbered Compounds in the treatment of neuro-developmental disorders.

Dr. Abell will share from many years of clinical experience treating patients with Alzheimer's, Parkinson's diseases, autism and ADHD. He will demonstrate autism's possible relationship to vaccination, viral infections, heavy metal toxicity, environmental toxins, digestive health and nutrition. Through case discussions, he will provide direction in the application of drainage, Gemmotherapy, Phytotherapy, nutritional products and other biotherapeutics in restoring patient health and well-being.

KEY LEARNING HIGHLIGHTS

- Learn methods of assessment, treatment and prevention of these disorders.
- Learn the importance of the theories of Miasm, Temperament and Constitution to effectively treat these disorders.
- Become skilled at effectively reversing the process of neuro-developmental diseases without suppression and in a non-invasive manner.
- Complement your knowledge and increase your therapeutic skills.
- Current ideas on causative factors of autism.
- Various treatment options that are effective and gentle.
- The therapeutic application of Biotherapeutic Drainage™ and UNDA Numbered Compounds, especially when addressing neuro-developmental disorders.

Assessment & Treatments of Neurological Disorders including Autism & ADHD

2 Day Session

Presented by Robert Abell ND LAc

Robert Abell ND LAc was awarded his Bachelor of Science degree in Exercise Physiology from the University of Colorado, Boulder in 1985. He received his Doctor of Naturopathic Medicine from the National College of Naturopathic Medicine (NCNM) in 1993 and received his Masters in Chinese Medicine and Acupuncture from the Oregon College of Oriental Medicine in 1994. Dr. Abell currently lectures on various topics throughout North America and for Seroyal focusing on Biotherapeutic Drainage™. Dr. Abell resides and operates a large multidisciplinary clinic in Orange County, California with his wife, Lisa. Dr. Abell uses Biotherapeutic Drainage™, homeopathy, acupuncture and auricular medicine as his primary therapeutic tools. He is currently writing a book on the misinformation prevalent in modern medicine today.

Seroyal proudly supports the Foundations of Naturopathic Medicine Project

Leading North American holistic scientists and key academic and scientific thought leaders in the naturopathic scholastic community have committed to producing a global textbook on the philosophy, theory and principles of naturopathic medicine. It will provide an extensive explanation of how to think clinically within the practice of naturopathic medicine and conclude with implications for public health policy, global health and international naturopathic medicine, and implications for a renewal of public health practice.
