# Seroyal Seminar Series: 08–09

CONTINUING EDUCATION TO ENHANCE YOUR PRACTICE:

DEDICATED TO MAKING A DIFFERENCE IN PEOPLES' LIVES.

Gérard Guéniot, M.D., received his medical degree from the L'Université de Lille in 1975 and studied homeopathy and acupuncture at various institutes from 1971 to 1976, including the Centre Homéopathique de France. He is the founder of four homeopathic and two acupuncture schools in Belgium and France, where he directs several teaching programs on homeopathy, acupuncture and traditional Chinese medicine. Dr. Guéniot is recognized as a leading expert in miasmatic drainage, acupuncture and Traditional Chinese Medicine, and he is the author of three books on holistic health. He lectures extensively all over the world and is the foremost authority on the Unda Numbered Compounds. Dr. Guéniot has a holistic center "Renaissance" in Belgium and a medicine practice as M.D. in France. He created the concept of homeopathy of terrain and he is writing 3 books on the Homeopathy of terrain, Phytotherapy and terrain, and Gemmotherapy: Mother Macerates. He is in his tenth year of teaching for Seroyal.

## The Evolution of Disease and Biotherapeutic Drainage™ for Individualized Medicine

The goal of this seminar is to provide a thorough understanding of Biotherapeutic Drainage™ and its relevance to each individual's immunity and terrain with specific attention to Miasms. Dr. Guéniot will discuss the notion of terrain, the nature and cause of disease and the connection between body, soul and spirit. He will explore the principles of drainage based on the individual's biochemistry and its effectiveness in treating acute and chronic conditions. Specific pathologies and treatments of conditions in relation to each individual's immunity and terrain will be explained. He will also discuss the development and the importance of the first twelve years of a child's life and the impact each developmental stage has on the physical, emotional and spiritual maturity of the individual. Dr. Guéniot will provide a classification and explanation of the physiological use of the Unda Numbers and their relation to immunity and miasms. In addition, Dr. Guéniot will briefly discuss the origins, methods of preparations and clinical applications of the Gemmotherapies, Phytogens and the Oligo-elements.

### IN THIS SEMINAR, YOU WILL:

- Develop an enhanced understanding of the terrain through a defined, symptomatic and therapeutic approach to miasms, constitutions and temperaments
- Learn how to restore and maintain health and well being
- Gain a better understanding of the different levels of Biotherapeutic Drainage™
